THE MISSION OF
CrossLink INTERNATIONAL

IS TO CHANGE THE WORLD
ONE LIFE AT A TIME THROUGH
CHRIST-LIKE MISSIONS.

*CrossLink International equips medical mission teams,
free clinics and mission hospitals as they relieve suffering
and provide hope in the world's most troubled areas.
Since 1996, medicines, supplies, equipment and eyeglasses valued
at more than \$45 million have been provided in 115 countries
for the sick and injured, regardless of race, creed or religion.
In 2009, CrossLink provided \$4.4 million in medical aid to
59 countries through 382 individual mission projects.
Yearly, this non-denominational ministry touches the lives
of 700,000 to 800,000 men, women and children.*
